HOME MOVIES

The screen was filled with the huge, erect penis that I knew belonged to Mr. Johnson. It was thick and the blue veins on its sides visibly throbbed with his pulse. The rigid column tapped the air in excitement, its mushroom head a dark red, angry and inviting. A few strands of hair sprouted from the stalk, often moving in the breeze as an off-camera breath wafted that turgid phallus.

The only sound was the sound of heavy breathing from the two “stars,” and the occasional whine as the lens moved in for a close-up, as it did when it targeted on the head. A clear drop of fluid was forming in the slit of the head, rising all the way up that long muscle. Suddenly a long pink tongue snaked down from the top of the screen and captured that drop, like a lizard catches insects. As I watched, my fingers were at work between my legs, trying to cool the heat.

The Johnsons were in their thirties. In my time off from college, I babysat for their 3-year-old son. Mr. Johnson was a successful businessman, very wealthy, and he paid me very well. But in addition to the money, one of the benefits included watching the Johnsons’ collection of X-rated videos. Mrs. Johnson (she insists I call her Jan) showed me where the video were kept.

Every time I sat for Dan, I’d put him to bed and start watching one of those movies. I had even developed a routine of stripping and masturbating as I watched. Naturally, by the time Jan and her husband came home I had dressed and had everything turned off.

The last few times, I noticed some new videos had been added to their collection. Labeled simply “Jan and David” along with a date, the videos were home-made films of my employers engaged in graphic sex acts. Since Jan knew I watched the X-rated films, I realized she knew I’d watch these.

The first video I watched began innocently enough, with Jan leading the “audience” on a tour of their house, finally reaching the bedroom. She then put on a record and did a slow, seductive striptease. The camera zoomed in on her dark nipples and brown bush.

Jan had been a gymnast in school, and her long, firm legs still rippled with energy. She gave the camera a “tour” of her body, and David closed in tightly on his wife’s pink vagina, slick and glistening with her arousal.

The next video was a masturbation study. The first half showed Jan working a dildo inside her pussy until she reached a wrenching climax. Then Jan took over the camera while David lay nude on the bed. His erection was larger than any I’d had. It must have been over 8” long and as thick as my wrist. He pumped it, all the time encouraged by Jan from off-camera. “That’s it, honey, rub that big cock. I want you to shoot cum for me. God, your balls look like they’re loaded with hot juice. Show me.”

Needless to say, David did. On the third video, I was watching Jan suck that same member hungrily. David must have been watching the monitor, trying to focus the camera, keep everything in the frame, as well as work the zoom. He was not exactly perfectly successful, though, no doubt because the pleasure he was receiving made it difficult to concentrate.

But my attention was focused on Jan’s oral treat-

ment of her husband's love muscle. She ran her tongue up and down the shaft, leaving it shiny and wet. Her tongue flicked at the underside of the head and around the tip and kissed it off, then locked her lips and teeth lightly around the head.

"That's it, Jan, baby. Sweet Jesus, you suck cock so well!" David breathily coaxed. "Lick my balls. Ooh, yeah! Now suck me till I come, I'm so close, so close . . . NOW!"

Jan's head jerked backward at what must have been the first spurt of semen from the cock. I could see and hear her swallowing rapidly to keep up with the flow that David was pumping. My own fingers rocketed me to an orgasm. I shuddered and gasped as Jan let David's drained penis slip from her lips.

She looked at the camera, licked her lips, and smiled. "Hope you liked watching this, Tricia."

I was stunned! Jan was talking to me on tape, even as she fondled and kissed her husband's softening penis. "Jan, we'd like to have tapes of us being really intimate. But as you can tell, we can't perform and run the camera, too. We need someone else to film us. Would you be interested? We could easily show you how to operate the camera."

"I suggested to David that we ask you. I just figured you were open-minded enough. And David and I get extra excited knowing an attractive girl is watching. Don't we, honey?" David's cock lurched as it became engorged with blood.

"Oh, isn't that sweet?" bubbled Jan as she kissed the growing meat. "We're going to do some more fucking and sucking, Tricia. If you want to film us, let me know. Bye!" And the screen went blank.

I don't know how long I sat there, absentmindedly stroking my clit, my brain numbed and titillated by Jan's words. The thought of watching the Johnsons

fucking and loving excited me, and videoing them in action was even more arousing. I decided to do it, partly for the fun of it and partly because it was something new. In the last six of my 20 years I'd had cocks in every hole, had sex with girls, threesomes and the like. This was an opportunity to be a voyeur. Besides, David Johnson was handsome, his wife very attractive and it just might turn into something really exciting.

When the Johnsons arrived, Jan saw me to the door. "Hope the movies were entertaining," her lips said, her eyes asking the other question. "Oh, yes. I don't think I could do better myself," I replied knowingly, "but I wouldn't mind trying." Jan was delighted. "Glad to hear it. I'll call you."

A few nights later, I was back at the Johnson home. Their child was spending the night with relatives, and Jan and David had fixed drinks and we were having a friendly, relaxed conversation. In the bedroom, David had the lights set up, a portable video recorder and a camera which I quickly learned how to work.

Her tongue flicked at the underside of the head and around the tip and kissed it off, then locked her lips and teeth lightly around the head.

Looking back, I'm surprised how easily we got down to business with no nervousness. I videoed David and Jan as they removed one another's clothes. I zoomed in as David sucked her nipples, leaving them wet and stiff. I zoomed in again as David's erect cock sprang out when Jan stripped off his shorts. She tenderly stroked him while cupping his balls, seeming to weigh them.

David pushed Jan onto her back and kissed her legs, leaving a trail to her dewy pussy. I had a rough time trying to shoot that action. I had to move so close I could easily smell the aroma of her sex. I was aware of my own arousal and of how my own cunny was soaking my panties. David's tongue flickered over Jan's clit, a sight which not only made me envy her but which added to the heat building up in me.

David left her hot slit and prepared to enter her with his massive cock. Jan's vaginal muscles were causing her pussy to open and close in anticipation. Jan guided David's hard flesh to her portal and I zoomed in to capture the image as he sank his shaft all the way into her creamy depths.

My clit was aching to be touched, but I kept my attention on the camera and the couple on the bed. I moved to record their faces, contorted in pleasure. The microphone easily picked up the sounds of flesh slapping flesh, the squishy sound as they fucked, as well as their breathless moans of passion.

As the pace picked up, I got as close as I could without damaging the camera. I was between Jan's

legs taping their joined genitals. David's cock had worked the juices into a white, bubbly froth. I zoomed in to fill the frame with just the image of cock pistoning cunt. His balls tightened and I could see his muscles spasm as he shot semen into Jan's hungry box. Some of his juice was forced out from around his prick as he still hammered away.

I kept focused on their junction as David withdrew, trailing semen from the tip of his penis. Jan's pussy was bright red as I zoomed in to capture the pool of pearly liquid in her pussy. Then I slowly pulled back as they embraced and kissed lovingly. Fade out.

"Was that ever hot," I breathed as I collapsed into a

chair. "Hope you two don't mind, but..." and I quickly pulled off my clothes and right then and there started to masturbate.

I didn't care that the Johnsons were watching. After all, they were naked too, and I'd just watched them fuck. So I just went at it, strumming my clit and plunging two fingers in and out of my soupy tunny.

"Let me help, Tricia," Jan whispered and I opened my eyes to see her kneeling in front of me. I let her move my hands away and her brown tresses tickled my thighs as she spread my lips and moved her mouth to my auburn mound. I saw her tongue slither out and I gasped when it danced on my clit. I saw David sit up on the bed, watching intently and stroking his already-hardening dick. "Shoot this," I said aloud, surprising even myself. But there was an added air of excitement, knowing I was "breaking into" video this way. It felt naughty and wicked as I poured cunt cream into Jan's hungry mouth. I came and came, my thrashings and sighs recorded for future viewing pleasure.

I pulled Jan to the bed, straddled her head, and began to clean out her pussy to return the favor. The tasty mixture of their juices was a delight and I lapped

it out like honey. Jan shifted from my pussy to rimming my anus. Her tongue sent bolts of electricity shooting up my spine as she wormed her slithering oral muscle into my ass. I was on fire and when I raised my head, I saw the monitor and on the screen was my ass with Jan's tongue darting in and out.

It didn't take much to convince me to ask David to fuck me and for Jan to tape it. Still on all fours, I watched the screen as David sank his fat cock between my folds. My pussy sucked him in and I was filled as never before.

"Fuck me," I pleaded as I watched his prick pummel my pussy. Each time he pulled out, my lips dragged his cock, as if trying to prevent the withdrawal. Watching all this gave me another idea.

"Jan, I want you to get as close as you can. David, fuck my ass." I saw the image on the screen of the TV grow even larger as Jan closed in on the action.

I willed it to relax and that log slid in, greased from my cunt. I was packed and in heaven as he fucked my ass and diddled my clit while Jan recorded it all.

David pulled his shiny dick out, dripping my juice, and prodded my sphincter with the cockhead. I willed it to relax and that log slid in, greased from my cunt. I was packed and in heaven as he fucked my ass and diddled my clit while Jan recorded it all.

I was riding one monstrous orgasm brought on by the feel of David in and out of my ass, the buzzing from my clit, and from watching it all live on television. All it needed was a play-by-play sports announcer. The Wide World of Butt Fucking. I was so randy and wrapped up, I barely heard David when he half screamed, "I'm going to flood your ass!"

And flood he did too. As when he fucked Jan, his whites cum oozed out around his cock and dribbled down my legs. Jan licked the sperm and then sucked it out of my ass. And it all is recorded in living color.

That was last summer. David gave me a video cam of my own, as well as copies of the videos I'm in. My favorite is the one that has me licking and sucking on David's beautiful cock. I masturbate watching myself trace his cock's veins with my tongue and then suck it deep while I squeeze his balls. Then, just like in the fuck films, I let him shoot all over my face, gobs and gobs of goo all over my cheeks and nose and lips. But, unlike porn films, the camera watches as I lovingly lick David's cock clean.

So far I'm happy making my own films of me with Jan and David, and I've even made some with friends here at school. It's really a hoot. Who knows? I may decide to get into the business, in front of and behind the camera. As long as I get to keep a copy.

The Boss's Wife

I've been working at a local deli for two years now, since getting out of high school. Nick's a decent guy and a regular type, if you know what I mean. He enjoys flipping through his collection of sex magazines when he thinks nobody is looking. And he's a great one for telling a raunchy joke, and also giving me tips on how to make it with the girls. He's like a teacher to me.

And so is his hot wife. She's a few years younger than he is and Nick once joked that she always left him exhausted. I told him I wished I had that kind of problem.

Chrissie sauntered from the back of the store and said, "You guys think about only one thing." She swayed her ass and pecked Nick on the cheek before saying to me, "Can you give me a hand with the delivery in the back?"

Nick got busy at the counter with an order of cold cuts that would take twenty minutes to prepare. Chrissie took advantage of that by taking me in back, closing the door and feeling my dick. She was horny as hell and her hot breath hit my face like a summer breeze. She said how much I turned her on and how much Nick liked me. That's when she really knocked me for a loop by saying, "He knows I fuck other guys. I think he'd feel happy if I did it with you."

I was sweating by that point, almost shaking. She inched closer, squeezing my dick. She then started stroking real fast and real hard until I came in my pants. She giggled and told me to cover the cum stain with an apron until it dried.

A few nights after that, they invited me to dinner. Throughout it all, Chrissie flirted with me right in front of Nick. He didn't seem to mind. In fact, at ten o'clock he yawned and said he was going to bed. I got up to leave, but Chrissie insisted I stay a while and talk. Talk?

Once Nick was asleep, she took me into the living room and had me yank down my jeans so she could suck me. Her warm lips and mouth made me come really fast and after I did, she tongue kissed me so I had to taste my own cum. Chrissie then rode my cock like it was the last

night on earth.

Nick never said a word to me about it but I'm sure he knows I was fucking Chrissie. I just hope I'm as open-minded as they are when I get married someday. It's a pleasure working for people like them.

Sexercising

My wife's ass is small and firm, as is her entire body. She attends an aerobic dance exercise class two nights a week and makes a real effort to maintain her figure. At 29, her tits haven't even the slightest bit of sag. Her waist is trim and the satiny skin of her inner thighs makes me want to eat her alive—which is what I usually do.

The other night, after bringing each other off, she got out of bed and a song on the speaker system. I installed an extra pair of speakers in the bedroom so we can listen to good music at our convenience.

"This is the album I told you about," she said. Anna was naked and her pointed nipples showed me the thrill it gave her to turn on that album—and it turned on the both of us, believe me. It was a selection of sexy classical music, perfect for erotic and aerobic lovers.

Anna swayed slightly as the music began. I remained in bed with a rock-hard erection watching her dance and limber up. She squatted slightly, pulled up on her tummy muscles and then parted her pretty pink pussy lips, all in time to the hypnotic rhythm.

Whoever produced that passion-perfect album knew how electrifying the results would be. Unable

to just sit and watch, I jumped from the bed and joined her, first in a few solo dance and exercise movements. Anna loved watching my big red machine bouncing as I got into the music. By the time the first few songs were over, we grabbed each other and fell to the bed for a little personal exercise.

Afterward, I told Anna someday soon I'd like to fuck her to the 1812 Overture and time our orgasms to the explosive finale. We're working up a playlist of the sexiest music we know to choreograph our fucking. Anyone have any suggestions?

Adrenalin Rush

My name is Tony. I'm 28 years old and work in the great outdoors. I have close cropped hair and sport a closely cropped beard that is starting to turn grey. I'm reasonably fit, and I have not had difficulty with the opposite sex all my life.

I have known Shannon for two years or so and she often calls me by many different cute nicknames and one of her favorites is lover. I tease her right back with cougar because she's always chasing after younger meat. We have a pretty open relationship, and while we don't live together, we have keys to each others houses and use them as our own.

I had to do into work on a Saturday morning and needed some tools I had left into her garage. I park in her driveway and head in the front door since I don't have her garage door opener. There, on the sofa, at 9 am on a Saturday morning I see Shannon lying on her back, with her head over the edge and her long blonde hair falling to the carpet she lay, gasping for breath, her bare breasts heaving, and soft cries escaping her lips. At

the center of her cries lay a young-looking body whose face was buried deep in my cougar's pussy.

I moved closer, closing the door behind me. The look on her face was familiar to me as she looked up at me. I had seen it many times when we make love. Her knees were slightly raised, one foot on the sofa and one foot on the floor. Her hands were gripping the cushions and this prevented her tumbling off. Shannon was also 28 years old. She has bright blue eyes that are set off by her blonde hair.

She has firm medium sized breasts whose large nipples are very responsive to my touch.

Shannon's eyes were closed as she was being pleased by her lover. Her lover's face was sandwiched between her thighs. All I could see was a head of long black hair attached to a slim, adolescent-looking body, one that one would associate with someone quite young. Looking more carefully at the person's back, I deduced that she must be a female, and I was right.

She seemed taller than Shannon and her lithe body ended with long shapely legs. She had a great ass too. As she busied herself eating Shannon's pussy, I noticed her bare young pussy. Then it struck me who she was. Jordan was a friend of a friend. She was 19 and as innocent as they get. She was a self-confessed lesbian who Shannon maintains she ignored Jordan's advances although she was aware of her affection for her.

I wondered what the hell is going on here. Now don't get me wrong, this is every guy's wildest wet dream and I wasn't about to break up proceedings. I just couldn't make sense of what I was seeing immediately. In fact, now I wanted to really feast my eyes on that sight for as long as I could. My cock was rock hard in my jeans. I moved to stand over Shannon's head and took in her expressions of passion. I bent down and placed my lips on her lips. She opened her clear blue eyes that smoldered with affection. Shannon looked up and then broke into her devilishly innocent smile that was completely natural to her.

"Hi baby. What took you so long?" She said and we kissed deep and long, our juices mingling freely. We were almost oblivious of Jordan's presence. Shannon broke our kiss and moaned softly. Jordan

was doing something extra special to attract her attention. Shannon stroked Jordan's face. "Tony, I would like you to meet Jordan."

"Hi there Jordan", I said not knowing what is an appropriate thing to say really. "Hi", Jordan giggled. She was quite beautiful with sharp features and dark eyes. Her full lips and face was wet with Shannon's pussy juices. "Now listen here young lady," I began in a mocking tone. "I will have to punish you for stealing my girl".

"Oooh, but I thought you wanted to have a threesome baby." Shannon pouted. She was right of course. I was busted. I have been wondering about such an encounter for as while now. While I wished it, I never really pushed for it. Shannon was not one that you put in situations she doesn't want to be in. She made up her own mind, and in her own time. I was hopeful of course. But I wasn't assured of an outcome.

Shannon reached over and pulled down my pants, took my cock in her hands and promptly started to suck on it. There I was in my own wet dream, with two gorgeous girls. It was like a surreal fantasy. Only this was real life and in real time!

Shannon was the best blow job artist I have ever known. She was slow and delicate and took me all the way. She stroked my ass and played with my balls. Her fingers felt cool on my skin. My cock was in a hot, wet sweet space that sent thrills up my spine. She moved her mouth to my balls and engulfed each one delicately in her sweet mouth. Then she moved to my ass. While she stroked my erection she licked my ass and probed me there with her tongue. Man, she drives me crazy when she does that.

While she was pleasuring me, Jordan pushed two fingers in Shannon's wet pussy and preceded to finger fuck her. At the same time

she flicked and sucked at Shannon's clit. I watched Jordan work Shannon and smiled. Soon she was dripping cum all over Jordan's fingers. I shifted Shannon further up the sofa to make her comfortable and to allow better access to my ass and balls. Now I was on my knees sitting on Shannon's face. I got a better view of Jordan eating Shannon's pussy.

It was hot! I was having my ass probed, balls licked while Jordan was feasting on Shannon's pussy. I got hold of Shannon's legs, lifted and then parted them allowing Jordan more room to devour Shannon's pussy. Soon Shannon was coming and coming.

She gripped my cock and came up for air, overwhelmed with sensa-

tions that like a rush of adrenalin, consumes all the senses. Shannon was gushing her love juices all over Jordan's face. It was wild to see Jordan eat Shannon's cum. Jordan was all over the place- probing Shannon's puckered hole, her pussy, her clit. Her hands were also kneading Shannon's tits and nipples. It was a triangular pleasure zone. We all gave and received, being both selfish and selfless all at the same time.

I felt an urgent need to park my cock inside Shannon's pussy now. I was hard and dripping with cum. Now was the time to eat and drink at the fountain of pleasure. And right there were two delectable dishes on offer with endless possibilities. Shannon was on her elbows, her boobs rising and falling from the pleasurable exertions, her nipples standing erect, her body glistening in sweat. Jordan quickly lay on her back and guided Shannon to her young wet pussy. She stretched her long legs high into the air and parted them. So there we were: me plugging Shannon's pussy while she was giving Jordan head. Shannon was on her knees, her hands opening Jordan's snatch. I was on my knees behind her, hands firmly holding her ass in place. Jordan was on her back, hands holding her legs high and wide into the air; with her head bent backwards deep into the sofa. It was unbelievable! The living room reeked of pussy and sex. I had forgotten about the garage and going to work.

If anyone ever watched a threesome unfolding in a video, you will know it is great fodder for endless masturbation sessions. But I'm here to tell you the real deal is hundred fold better. Get some of that action for your bucket list. It's a must for any red-blooded man to experience at least once in their lifetime. All I know is this: if I die today, I will die with a smile on my face!

BIRTH OF A BAD GIRL

CUMMING OUT PARTY

BIRTH OF A BAD GIRL

I used to go from one long-term relationship to another, determined to stick it out with my partner through thick and thin, even after the sex had gone stale. Then eventually I'd catch them sticking their dick inside another woman and I would find myself tearfully looking for a new man.

After the doozy of me discovering that my boyfriend of six months was sticking it to my sister, my best friend Gwen encouraged me to stay single and play the field for a while instead of rushing headlong into coupledness again. She urged me to fuck hard and often, saying it was a waste of perfectly good spit to suck the same cock twice.

It did sound appealing - a different cock entering me every night, unfamiliar tongues tracing circles around my clit, shuddering my way through what Gwen described as "sheet-soaking orgasms." But I just didn't see myself as a one night stand kinda girl. Gwen begged me one last time to give sluttiness a chance and finally I figured what the hell. So I psyched myself up to go out and bed down the first willing man I could find.

It turned out I didn't have to search very hard, because suddenly my doorbell rang and there stood a decent looking guy with a warm smile. Gwen, the BFF that she is, had sent one of her coworkers over to tempt me. I invited him in and when he opened his mouth to introduce himself, I quickly reached out and grabbed his crotch. I mean, what's the use of learning someone's name if the point is to fuck him and forget him, right? So instead of talking, I dropped to my knees as he loosened his belt. What a magnificent prick! It was so smooth and mighty, I caressed it with both hands and gave it a dozen tiny pecks before moistening my lips and sliding it into my mouth. He was so huge that the head hit the back of my throat while my chin was still inches away from his balls.

Judging from his moan he didn't seem to mind that I couldn't swallow him whole, so I lavished love upon him with my tongue until he pulled out, pushed me down and thrust his swollen sch-long deep into my eager slit. Blowing him had really got my juices flowing so my pussy was ready, nice and juicy.

He plowed me from every imaginable direction until my back-clawing, screaming climax interrupted his rhythm. The intensity of my orgasm caused the walls of my cooch to spasm around his meat stick, and with a guttural bellow he withdrew to blast a thick, hot stream of spunk all over my taut stomach.

Afterwards I kissed him goodbye and called Gwen. That hook up started a pattern of me spreading my legs for whatever Tom, Dick or Harry strikes my fancy at the moment and I've never felt happier. One of these days I'm going to take on all three at once.

Slut In Training — Texas

CUMMING OUT PARTY

My girlfriend Erica and I have fantastic chemistry. The first time I laid eyes on her my dick got so hard it damn near turned to marble, and all it takes for me to pop half a chub is to think of the sweet round perfection of her gorgeous ass.

For three years we've had epic sex on a near-nightly basis. I love it when she climbs on top and rides me rough and dirty. Watching her full tits bounce and jiggle while she works her way along the length of my shaft with her tight, velvety snatch, up and down, and up and down, well, is enough to drive me insane. There's no greater feeling than when I pop inside her, but sometimes I cream on the underside of her cans so she can catch my warm goo in her hand as it drips off and lap it out of her palm like the sex kitten she is.

Recently I've noticed a change when we bang. Her orgasmic cries seem to lack the ball-tingling intensity they used to have. Finally one day, after going down on her for nearly an hour to no greater fanfare than a few lackluster sighs, I asked her what gives. She admitted that she'd been having constant fantasies about getting it on with Anya, a woman she'd met at the gym and couldn't concentrate on anything else, not even me trying to get her off. So I gave her my blessing to satisfy her lez urges and she quickly invited her friend over for a tryst.

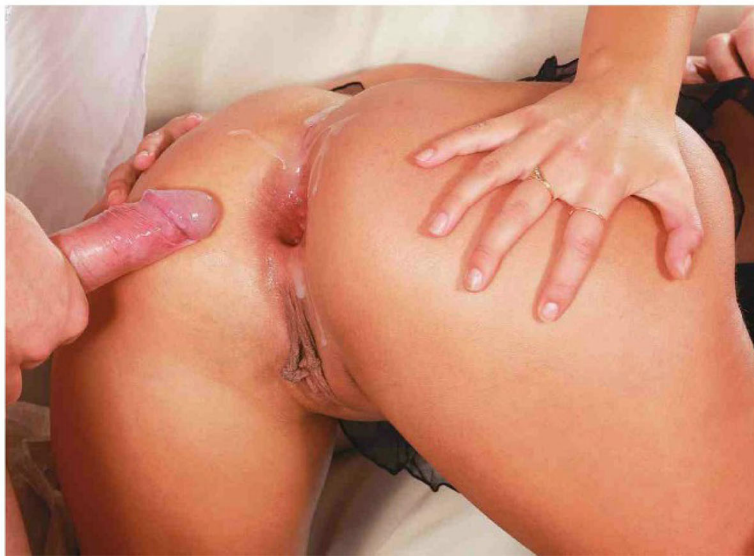

Soon came a soft knock on the door and I opened it to find the sexiest babe I'd ever laid eyes on — aside from Erica, of course. Anya smiled at me with lush, full lips before pushing her lithe body past me to greet Erica with a deep kiss. They nibbled earlobes and whispered back and forth for a few seconds before a giggling Erica invited me to watch them get to know each other better.

I sunk into a chair, unable to tear my eyes away as they peeled off their clothes and eagerly began to lick every last, luscious inch of each other. I pitched a colossal tent seeing Erica's nipples harden into pearls as she twisted and writhed while orgasm after orgasm tore through her exquisite body, lean thighs flexing around her friend's face as she noisily devoured her pussy. Then Anya laid back and spread her legs wide while Erica got on all fours and began to nuzzle her nub.

Before I knew it I was behind Erica, sinking my throbbing tool into her steaming wet hole while she sucked at Anya's cunny and bucked her hips in a wild frenzy. The gym girl and I locked eyes right as she began to cum, throwing her head back and roaring like a lioness with Erica's honey still glistening on her chin. I pulled out and flipped Erica over just in time to spray my baby batter all over the lusty grin on her face.
